

2022-23 In-Person Survey National Report

Errata

Chapter 7 (Satisfaction) – Table 9

- Error: The NCI-IDD Average row was unweighted.
- Correction: Applied weight to NCI-IDD Average.
- Comments: The original table was unweighted due to a missed weight specification segment in code.

Chapter 16 (Rights and Respect) – Table 12

- Error: The Below Average “bucket” (with ↓ arrows) of the table are missing 2 rows of data (for IN and TX); the rest of the bucket was misaligned.
- Correction: Re-added the rows for IN and TX. Re-aligned the other rows of data to match the states they belong to.
- Comments: N/A.
